PIB Utilities Department

Council Members:

1. Michael McCann
2. Jake Market
3. Tip Boyles
4. Jeff Koehler
5. Paula Ladd
6. Mayor Dress
7. Kelly Faris

Public:

Anne Auger, Mike Mewhorter, Poggemeyer Representative, E-1 Grinder Representative (Bob)

Discussion:

Two methods to determine life left in the waterplant. There are documented records of flow; operators keep track.

McCann asks what will the Village be responsible for if the pumps are installed. (low pressure system)

Need a set of rules/regulations; operating policy drafted ASAP.

Regular customers are to tie in.
