Chief Riddle
Mayor Dress

Public:

Ryan McBride; via phone (Rolling Pub Owner)

Discussion:

Chief explained that proposed banned route is based specifically on safety issues. McBride states he the riders best interest and safety at hand. Waivers are signed, and rules are explained before the tour begins.

The focus of the meeting is the restriction of streets the rolling pub is allowed to operate on.

Discussed the possibility of a “pedicab parking only” parking spot. – Koehler

Mayor recommends just considering restricting just Delaware Ave.

Committee Recommendation: Keep same route as before, but changing Boardwalk drop off spot. Catawba to Hartford on Bayview Ave is off limits for operating.
